

## **Estrella del Mar Offers a Hole in One in Mazatlan**

*Play on a Robert Trent Jones Jr championship course*

**2006 - 2007, Mazatlan, Mexico, ...** At Estrella del Mar Golf & Beach Resort, Colorado golf lovers can stop dreaming and start swinging their clubs! With convenient, direct flights from Denver to Mazatlan on Frontier Airlines, savvy area residents can be playing golf on Estrella del Mar's Robert Trent Jones Jr. championship, seaside golf course this afternoon...or every afternoon to their heart's content.

Designed by the legendary Robert Trent Jones Jr., the five-star, 18-hole course was built in 1996 and is unsurpassed in terms of play and breathtaking scenery. At Estrella del Mar, Trent Jones Jr. ensured that his course design would blend in with the property's specific natural terrain. All of the landscape elements mesh together, resulting in a course that appeals to every level of golfing, from professional to beginner. As one of only two golf courses in Mazatlan, there is simply no comparison.

Overlooking miles of undisturbed beach, the golf course winds through the entire resort and serves as the master-planned community's centerpiece. Six of the course's holes and fairways are situated along the beach, where spectacular views of the Pacific Ocean provide an ever-changing challenge of their own; the continual crashing of the waves.

The course also pays tribute to the area's beautiful natural environment with an onsite Sea Turtle Reserve Sanctuary. The reserve is located between the sixth and seventh holes, and is home to the birth and release of thousands of baby sea turtles each year. Resident players and guests can observe the progress and growth of the turtles whenever they play or walk the course.

The full-service pro shop offers professional golf lessons and a wide variety of golf and after-golf attire as well as golf accessories. The clubhouse is the perfect place for guests to congregate, grab a bite to eat and enjoy a beautiful

Mazatlan sunset while sipping an ice-cold beverage. Both a putting green and driving range are located just outside the clubhouse.

Coloradoans considering investing in property know about world-class golf courses; at Estrella del Mar, they will find a very rewarding course, professional staff and relaxing clubhouse, set amid an exquisite oceanfront resort. Golf doesn't get better than this!
