[Estrella del Mar](#) opened its new beachside hotel, [Las Villas Hotel & Spa](#), this month. Located on 816-acres with 3.5 miles of beach on the [Mexican Riviera](#), the property is a gated American master-planned oceanfront luxury golf and beach resort. Estrella del Mar already has over 250 owners from around the world.

Las Villas Hotel & Spa is inspired by traditional colonial Mexican design. The custom décor in the hotel's **Ocean Front**, **Ocean View** and **Garden View** rooms includes oversized granite and marble bathrooms with a luxury tub and glass enclosed rain shower. Hotel guests and owners alike have access to a selection of on-site amenities, including four restaurants, a spa and fitness center, tennis, pool, beachside outdoor Jacuzzi's and the **Estrella del Mar Turtle Sanctuary**.

"The opening of Las Villas Hotel & Spa represents a major milestone for Estrella del Mar," said **Pat Butler**, CEO of [Club Acquisition Company](#) and 50 percent managing partner of Estrella del Mar. "My partners and I, [Paladin Realty](#), continue to invest in Estrella del Mar with the end goal of making it one of the premier resort destinations in all of [Mexico](#). In a time where many resort communities have slowed progress, we've aggressively pushed forward to meet the long-term commitment we made to our property owners and guests."
